

FONDO SOLIDARIO DE CRÉDITO UNIVERSITARIO

CONSEJO DE RECTORES

Los Fondos Solidarios de Crédito Universitario existentes en cada una de las universidades que conforman el Consejo de Rectores de las Universidades Chilenas, fueron creados en virtud de la Ley 19.287 de 1994 que modificó sustantívamente el anterior sistema crediticio universitario que tenía un marcado acento financiero/bancario, que dificultaba el cumplimiento de los compromisos contraídos por los jóvenes universitarios.

Como una forma de introducir una cierta equidad en el sistema de créditos universitarios se estableció que el reembolso futuro o pago del crédito, esté relacionado con los ingresos de cada egresado. Aunque cada crédito tiene un monto perfectamente determinado, el egresado cancela sólo el 5% de sus ingresos. Si transcurren 12 años desde que la deuda se hizo exigible, y habiendo cumplido el deudor todas sus obligaciones, resta aún un saldo, este es condonado por el sólo ministerio de la ley.

Posteriormente, las leyes 19.848 de 2002 y 19.989 de 2004, facultaron a la Tesorería General de la República para retener de la devolución anual de impuestos a la renta, los montos impagos por concepto de crédito solidario universitario, según lo que informe la entidad acreedora; por cierto la Tesorería General de la República debe enterar los dineros retenidos al FSCU respectivo.

Los Fondos Solidarios de Crédito Universitario de cada institución cuentan con un Administrador General, quién ejerce un conjunto de facultades que les otorga la propia ley 19.287; entre otras, la determinación de cuotas, la recepción de pagos provisionales, las certificaciones de extinción de deuda, los cobros ejecutivos, las reprogramaciones de deuda, las condonaciones en ciertos casos y la confección de la nómina de deudores. En consecuencia, son los administradores los que elaboran las nóminas de los deudores del crédito solidario y determinan los montos de dicho crédito que se encuentren vencidos e impagos.

Conforme al artículo 12 inciso final del referido Decreto 297 de 2009, el administrador del Fondo Solidario de Crédito Universitario respectivo será el único responsable de enviar y mantener actualizada la información respecto de las deudas contenidas en las nóminas, debiendo modificarla cada vez que exista un pago u otra circunstancia que altere o modifique el crédito a favor de él o los deudores, la individualización de la persona de estos así como las condiciones y/o los montos que deban ser retenidos y pagados por la Tesorería General de la República.

El Consejo de Rectores de las Universidades Chilenas, en ejercicio de su rol de coordinador de actividades de las entidades que lo integran, facilita su página Web para la publicación de la nómina de deudores de crédito universitario. La información contenida en esta publicación proviene y es de responsabilidad de cada uno de los Fondos Solidarios de Crédito Universitario. Cabe agregar que según señala el Art. 15 inciso 2° de la Ley 19.287 de 1994 (en concordancia con el Art. 13 bis de la ley 19.848 y el N° 5 del Art. Único de la ley 19.899) “Las nóminas de los deudores morosos por las obligaciones a que se refiere la presente ley, serán públicas”.

AVISO CON NÓMINA DE DEUDORES QUE SERÁN SUJETOS
DE RETENCIÓN DE DEVOLUCIONES DE IMPUESTOS ANO **2022**

Los Fondos Solidarios de Crédito Universitario existentes en cada una de las universidades que conforman el Consejo de Rectores de las Universidades Chilenas, fueron creados en virtud de la Ley 19.287 de 1994. Posteriormente, la ley 19.848 de 2002 le entregó facultades a la Tesorería General de la República para retener de la devolución anual de impuestos a la renta, los montos impagos por concepto de crédito solidario universitario, según lo que informe la entidad acreedora y en la forma que estableciera el reglamento. El referido reglamento -Decreto 297 de 19 de noviembre de 2009 del Ministerio de Educación- es el que rige la forma en que las instituciones administradoras del Fondo Solidario de Crédito Universitario informan a la Tesorería de las deudas que existan con estas y fija el procedimiento de retención de las devoluciones del impuesto a la renta.

En dicho Reglamento se establece la publicación de un aviso en un diario de circulación nacional, como forma de notificación a los deudores que serán sujetos de retención de impuestos por las deudas vencidas e impagas

del crédito solidario universitario. El deudor se entiende notificado desde la fecha de la publicación.

Conforme al mismo Reglamento, los deudores que figuren en la presente nómina tendrán el plazo de 10 días hábiles desde esta notificación, para solicitar al Administrador General del Fondo Solidario respectivo, que aclare su situación en aquellos casos en que puedan acreditar que ha operado algún modo de extinguir las obligaciones, o bien, que el monto que se consigna como adeudado no es correcto.

Es importante tener en consideración que los recursos provenientes de la recaudación obtenida a través de las retenciones que hace la Tesorería General de la República, son entregados al Fondo Solidario respectivo a fin de incrementarlo, permitiendo de este modo que estudiantes en condiciones económicas desfavorables puedan optar a un Crédito Solidario para el financiamiento de sus estudios universitarios.

Cabe agregar que la Universidad de Chile publica o notifica en forma independiente su nómina de deudores.
